The Constitution of the Democratic Republic of Timor-Leste establishes that voter registration is mandatory, official, unique and universal, and updated for each election.

In this sense, all national citizens, over seventeen years of age, have the right and the duty to register themselves during the voter registration process and to verify that they are duly registered as a requirement for the exercise of their right to vote in all elections of the elected bodies of sovereignty, for local authority bodies and referendums.

With the entry into force of Law no. 6/2016 of May 25, in addition to national citizens residing in Timor-Leste, it is also possible for those residing abroad to register during the voter registration process. In order to ensure regular and effective implementation of voter registration operations in the national territory and abroad, it is necessary to establish the necessary technical procedures for this purpose, which is done through this Decree.

Thus, the Government decrees, under the provisions of article 53 of Law no. 6/2016, of May 24, to have validity as a regulation, the following:

CHAPTER I
General provisions

Article 1
Objective
The present Government Decree establishes the technical procedures for the operation of registration, change of registration in the voter register, as well as the updating of the Voter Registration Database.

Article 2

2. The lists of voters include:
   a) The number of the voter card;
   b) The full name of each voter.
3. Lists of voters are arranged alphabetically.

Article 17
Display of lists of voters for review
1. Thirty days before the election, STAE’s Director General shall provide a true copy of the lists of voters for the decentralized offices of STAE and the voter registration commissions for the purposes of review and complaint by interested parties.
2. In duly substantiated cases, the Director-General of STAE orders, through a notice, the display of lists of voters in all sucos (village) and aldeias (hamlets) scattered throughout the national territory.
3. During the period of the display of the lists of voters, held for between three and five working days, interested parties may present complaints to the decentralized offices of STAE or to the voter registration commissions.
4. After the deadline set forth in the preceding paragraph, the decentralized offices of STAE and the voter registration commissions shall, after deciding on the complaints, proceed with amendments resulting therefrom and notify STAE for their inclusion in the BDRE within twenty-four hours.
5. Once the amendments have been made, the interested parties are notified by displaying the lists in the building where the decentralized offices of STAE and the voter registration commissions are located.

Article 18
Maintaining lists of voters

1. Without prejudice to the provisions of Article 46 of Law no. 6/2016, of May 25, voter registration commissions ensure the maintenance and security of lists of registered voters abroad.
2. In situations in which it is not possible for the voter registration commission to ensure the maintenance and security of lists of voters registered abroad, they shall inform the Director General of STAE so that he may take the necessary steps to ensure that lists are maintained.

CHAPTER V
Monitoring of voter registration

Section I
Supervision of voter registration

Article 19
Request for accreditation as a political party agent

1. Political parties that wish to appoint agents (fiscais) to monitor voter registration operations inside or outside the national territory shall submit a request in writing to the Director General of STAE for accrediting their agents, without which they do not have access to the premises used for voter registration.
2. The request referred to in the preceding paragraph shall be accompanied by a complete list of the agents, which shall include:
   a) The full name of each agent;
