PETITION OF 'SOLIDARITAS TIMOR-LESTE & INDONESIA' JAKARTA-INDONESIA

Jakarta, Indonesia. 24 March 2016.

Your Excellency,

The Ambassador of Australian Government in Indonesia.

Today Timor-Leste is going to prove to the world that it is in our country's best interests to give us custody of our country. By the end of this Solidarity day, we believe you should decide that we should have custody of our country by having your statement that Australian Government's hands will be off Timor-Leste's oil. The following are our petition to The Australian Government as a mirror for its shameful policy on Timor Sea along with its trespassing towards international law and the world's principles.

- 1) Be a country with big hearts, not a big hypocrite country;
- 2) Prove Your Corruption Perception Index last year by example;
- 3) Prove that you will always help the smaller countries in the Asia-Pacific with no condition and foul intentions;
- 4) Convince yourself that you are a big country that is principled in accordance with the symbol and colors of your national flag;
- 5) If you are still hard-headed, then you are not much different from Israel; and
- 6) Remember that: many eyes are watching your deeds, listening to your silence, curious to know how you will continue treating the weakest and the poorest neighbor whose fundamental rights is being violated.

On behalf of People of Timor-Leste
