The Government of the Commonwealth of Australia and the Government of the Republic of Indonesia mutually acknowledge the sovereign rights of the respective Governments in and over the seabed areas within the limits established by this Agreement and that they will cease to claim or to exercise sovereign rights with respect to the exploration of the seabed and the exploitation of its natural resources beyond the boundaries so established.

Article 5

For the purpose of this Agreement, "seabed" includes the subsoil thereof, except where the context otherwise requires.

Article 6

1. The co-ordinates of the points specified in Articles 1 and 2 of this Agreement are geographical co-ordinates, and the actual location of these points and of the lines joining them shall be determined by a method to be agreed upon by the competent authorities of the two Governments.
2. For the purpose of paragraph 1 of this Article, the competent authorities in relation to the Commonwealth of Australia shall be the Director of National Mapping and any person acting with his authority, and in relation to the Republic of Indonesia shall be the Chief of the Co-ordinating Body for National Survey and Mapping (Ketua Badan Koordinasi Survey Dan Pemetaan Nasional) and any person acting with his authority.

2. An application for negotiation in accordance with paragraph 1 of this Article must be made by the registered holder or holders within nine months after the entry into force of this Agreement. If no application is made within this period, or if an offer made in accordance with paragraph 1 of this Article is, after negotiation, not accepted by the permittee or licensee, the Government of the Republic of Indonesia shall have no further obligation to the registered holder or holders of a permit or licence to which paragraph 1 of this Article applies.
