Dili, 8 March 2013

Subject: Vacancy Announcement

The Ministry of Finance is seeking applications from qualified applicants to fill the position of Non Resident Major Projects and PPP Adviser (re-advertised) to work within the Major Projects Secretariat (MPS) and the new PPP (Public Private Partnership) Unit in the Ministry of Finance as part of a multi-disciplined team that is responsible for appraising and preparing major infrastructure projects including: project appraisal, detailed designs, implementation strategies and project supervision arrangements.

APPLICATION PROCEDURE

Please visit our website at www.mof.gov.tl and go to ‘Employment Opportunity’ to learn about our recruitment process and your application requirements including how to address the Selection Criteria in your application.

Applications need to be addressed to our Resident Procurement & Contract Management Officer Lucio MCJ dos Santos, at email address, jobs@mof.gov.tl, no later than 17:00 hours Timor-Leste time on Friday the 22nd of March 2013.

Applications should include (a) A covering letter, (b) a detailed resume of no more than 7 pages and (c) Your response to the selection criteria. Applicants must answer clearly the selection criteria, in the attached format, delineating how they have met the requirements. We do not expect that you would just cut and paste from your resume but rather explain concisely and succinctly how you have met these competences, possibly providing brief examples etc. Incomplete applications will not be considered.

Only short-listed candidates will be contacted.

General Director of Corporate Services
TERMS OF REFERENCE

Job Title: Non Resident Major Projects and PPP Advisor

Objective: In collaboration with relevant line ministries and the National Development Agency, the consultant will work within the Major Projects Secretariat (MPS) and the new PPP (Public Private Partnership) Unit in the Ministry of Finance as part of a multi-disciplined team that is responsible for appraising and preparing major infrastructure projects including: project appraisal, detailed designs, implementation strategies and project supervision arrangements.

The position will provide advice and support to the MPS on its portfolio of infrastructure programs through in-house appraisal of infrastructure projects as well as managing technical service firms contracted to provide specialist inputs.

Reporting to: Director Major Projects Secretariat

Classification: Strategy and Policy Adviser Level A

Duration: Until 31 January 2014 with possibility of extension (based on performance assessment and the need)

Location: Ministry of Finance, Dili – Timor Leste

I. BACKGROUND
The MPS, under the guidance of the Ministry of Finance, aims to accelerate the achievement of appraisal analysis and assessment for major projects financed under the Government of Timor-Leste Infrastructure Fund with special attention to major projects identified by the sector responsible Line Ministries. It will achieve this aim through networking, knowledge management, communications work, and managing the Infrastructure Fund that disburses grants for the improvement of the infrastructure in Timor-Leste.

The Major Projects Secretariat provides support to the Council of Administration of the Infrastructure Fund (CAFI), raises and creates payment vouchers / purchase orders, payment requests, undertakes appraisal of projects proposed by line ministries and explores funding options to co-finance infrastructure projects through loans and private public partnership. To provide these services, the Major Projects Secretariat consists of four main units: Public Private Partnership (PPP), CAFI Support, Development Sector, and the Loan Unit.

The fifth Constitutional Government created a separate unit for PPP’s under the Minister for Finance. This new unit will take over the roles and function formerly done by the MPS. In the short term the MPS and the PPP Unit will operationally work as one but over time they will be expected to develop their own competencies.
