East Timor

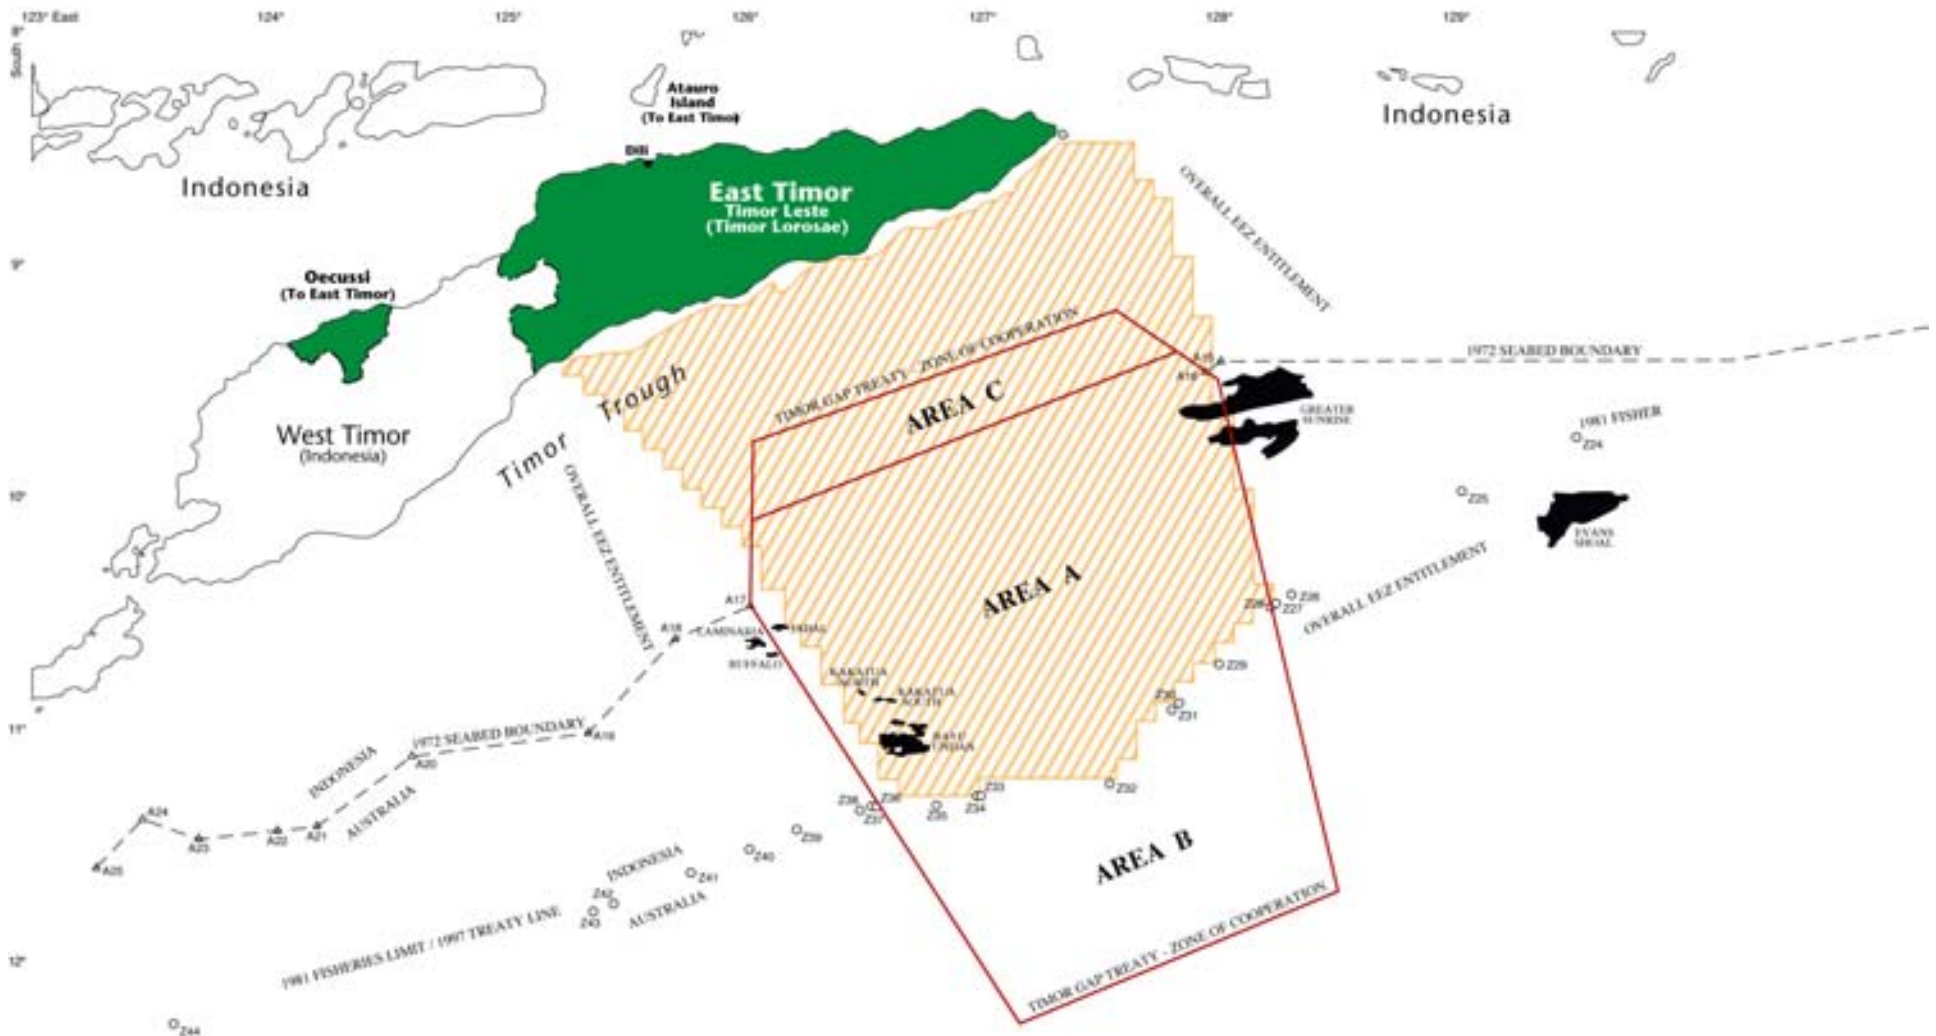

"1974 Oceanic Exploration Concession Area"

- Portuguese East Timor granted Oceanic Exploration concession.
- The exclusive right to explore, develop and produce natural hydrocarbons.
- East Timor 20% equity ownership of Petrotimor, Oceanic's Portuguese subsidiary.
- Oceanic/Petrotimor undertakes exploration program.
- 1975, Indonesia invades. Oceanic/Petrotimor evacuate Dili.
- State of force majeure suspends agreement.

"Timor Gap Treaty-Zone of Cooperation"

- 1978: Australia recognizes Indonesian seizure of East Timor.
- 1989: Australia and Indonesia sign illegal "Timor Gap Treaty".
Creates a Joint Authority to administer hydrocarbon exploration.
Production Sharing Contracts signed with oil companies.
- 1991: Portugal protests with litigation against Australia in the International Court of Justice.
- 2000: "Exchange of Notes" between UNTAET and Australia. Continues treaty terms.
Australia wins BIG: Gets 80% of Greater Sunrise. East Timor loses.

"International Law Boundary"

- **International Law Boundary.** East Timor should claim its proper boundaries. Chris Ward, Australian Barrister, and specialist in International Law will explain how.
- **Monetary meaning to East Timor.** Geoff McKee, oil industry financial expert, will explain how much money East Timor stands to lose. **Greater Sunrise:** US \$34 Billion; **Laminaria:** Hundreds of millions now.
- **On-shore development potential for East Timor:** Gas pipeline can be built to East Timor instead of Darwin enabling an LNG facility. John Imly, former president of UNOCAL, will explain immense benefits.
