Progreso saida maka halo tiha ona kona ba asaun prioridade nebe identifica iha tinan 2009 FSP Survey? Se quando progresso ne'e la lao diak, tamba sa?</p>
<p>3. You have the FSP questions. Please be ready to address any that you feel deserve to be specifically addressed, ie they are of high importance to Timor Leste. We will look for a consensus on the most important questions! We are interested in some specific observations and inputs and believe that you are the best judge of what that is. You will note that there are a number of questions against each principle, we do not expect inputs on every principle. Rather, we request that you go through the questions and highlight those principles, questions and observations that are most relevant to you.</p>	<p>3. Ita bo'ot iha pergunta ba FSP. Favour ida prepara para halo pergunta karik ita boot sire sente katak iha aspektu espesifiku ruma mak tenki diskuti, nebe importante tebes ba Timor-Leste.
